

Founded in 1984, Fidelity Health Care is one of the region's most trusted names in home health care, serving 17 counties in southwest Ohio. Fidelity Health Care's services also encompass occupational health and community health. As a member of Premier Health, Fidelity Health Care offers a wide array of services within the community.

Fidelity Health Care offers a comprehensive continuum of home health care and other related services, ensuring patients receive care wherever they call home. Clinicians work with patients, their families and their physicians to create a plan of care that meets their needs.

Home health care services include: skilled nursing, physical therapy, occupational therapy, speech therapy, home health aide, medical social worker, respiratory therapy, independent care services (private pay) and vestibular therapy.

Home health care provides disease management for IV therapy, pharmacy, chemotherapy, orthopedic rehab services, CHF, COPD, cardiopulmonary, wound and ostomy care and telehealth services.

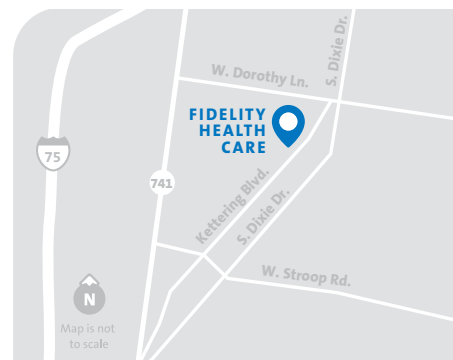

Home medical equipment available includes: oxygen therapy, wheelchairs and walking aides, hospital beds and accessories, bedside commodes and safety equipment, respiratory assist devices (non-invasive ventilation), CPAP and BiPAP, nebulizers, hearing aides, bariatric equipment, enterals, negative pressure wound therapy (wound vacs), specialty mastectomy wear and custom fit prostheses.

Occupational health offers employer services through clinics and on-site services including: pre-employment physicals, drug screenings, DOT physicals, after-hour services and school programs.

Premier Community Health provides services to the community through participation in health fairs and screening events, the mobile clinic, workplace wellness and the Breast and Cervical Cancer Project (BCCP).
