Bill and Ruth McGraw Cancer Awareness Symposium
UVMC Foundation to Host Evening with Steve Ford

The son of former President Gerald R. Ford and Betty Ford, Steve Ford has successfully negotiated the bumpy road from the White House to a successful 20-year career as an actor in Hollywood.

A teenager when his father assumed the reins of the presidency from Richard Nixon, Ford left the White House at age 18 to pursue his dream of being a cowboy on cattle ranches out West, followed by his ten secret service agents. He later went on to a successful acting career, appearing in over 30 movies including Contact with Jodie Foster, Armageddon with Bruce Willis, Starship Troopers, Eraser with Arnold Schwarzenegger, Heat with Al Pacino, Carrie II, Young Doctors in Love, and When Harry Met Sally as Meg Ryan’s boyfriend. Ford also appeared for six years on the Emmy Award-winning daytime drama The Young and the Restless, hosted the NBC show Secret Service, and has had many guest leads on shows such as JAG; Dr. Quinn, Medicine Woman; and Suddenly Susan.

One of Ford’s most rewarding roles has been that of student motivational speaker. Taking time off from his Hollywood career, he began traveling across the country to urge students to empower themselves against harmful influences. He walks students through the early habits he formed during his middle school, high school, and college years that led to his alcohol addiction and he shares tools and actionable tasks that led him to regain a life of personal integrity.

A highly sought-after motivational speaker, Ford speaks nationally relating his inspiring experiences during his family’s stay in the White House and his years in Hollywood. He shares a broad range of inspirational stories, including how the family dealt with Betty Ford’s battles with alcoholism and breast cancer, his own successful fight in overcoming alcoholism and the Nixon Pardon. He also offers humorous anecdotes regarding his ten secret service agents and provides firsthand details about life on the set of some of Hollywood’s biggest movies.

Steve Ford served three years on the board of directors of The National Cowboy Hall of Fame in Oklahoma City and currently serves on the board for The President Gerald R. Ford Museum.

The program is scheduled for October 24 at 6:00 pm at the Crystal Room, Troy. Event is free and open to all. To reserve a seat, call the UVMC Foundation Office at 937-440-7541.
The UVMC Foundation has grown substantially since its inception in 1997 due to the support of caring members of our community. We are proud to report that we have nearly tripled our assets over that period. Most importantly, the UVMC Foundation’s efforts have resulted in over $11 million in funds donated to Upper Valley Medical Center. Those funds have supported hospital programs, needed medical equipment, scholarships for those pursuing a health care career, and community health and education programming.

One of the newest programs that the Foundation is underwriting is CarePages. CarePages is a free, secure, and private social network for patients, their families and friends to help facilitate communication and support. Setting up a CarePage for yourself or a loved one is quick and easy. The CarePages icon is on the UVMC website (www.uvmc.com). Just "click" on that icon, follow the simple directions and you will have created a CarePage for yourself or your loved one. We hope that CarePages makes it easier to keep friends and family "in the loop" when a health crisis occurs or when a new baby is born.

Thanks to each of you who gives so willingly and generously. It is only through the giving hearts of people like you that we are able to offer services like CarePages, medical massage for cancer patients, provide scholarships, and underwrite community health education like the annual Bill and Ruth McGraw Cancer Awareness Symposium. You help make our community an even better place to call home.

Sincerely,

Kathleen Scarbrough
President and Executive Director
UVMC Foundation

The UVMC Foundation has grown substantially since its inception in 1997 due to the support of caring members of our community. We are proud to report that we have nearly tripled our assets over that period. Most importantly, the UVMC Foundation’s efforts have resulted in over $11 million in funds donated to Upper Valley Medical Center. Those funds have supported hospital programs, needed medical equipment, scholarships for those pursuing a health care career, and community health and education outreach programming on cancer awareness, diabetes, arthritis, and women’s health.

This October marks the thirteenth annual Bill and Ruth McGraw Cancer Awareness Symposium. This annual event is provided free to our community through the McGraw Family Fund of The Troy Foundation and the UVMC Foundation. Our speaker this year, Steve Ford, son of former President Gerald R. Ford and First Lady Betty Ford, will share how his mother’s courage in going public with her battle with breast cancer helped to break the stigma that used to surround this disease.

Since 2001, the UVMC Foundation and the UVMC Auxiliary have provided scholarships for students pursuing a health care related career. These scholarships have provided over $765,000 to 642 worthy individuals in our community, assisting them in reaching their dreams.

The annual John J. Dugan Reception for Cancer Care has provided over $400,000 since 2005 for the UVMC Cancer Care Center. This year’s proceeds are underwriting an integrative/complementary medicine program of medical massage therapy for our Cancer Center patients.

The UVMC Foundation is a great example of how members of our community can join together to generate meaningful results. Thank you to each and every one of you for your continued support for the UVMC Foundation and Upper Valley Medical Center.

On behalf of the Board of Directors of the UVMC Foundation, I wish you and your loved ones a joyous holiday season and a healthy new year.

Sincerely,

Michael Tinkler, DDS
Chair, UVMC Foundation Board
The John J. Dugan Memorial Fund for Cancer Care continues to allow the UVMC Cancer Care Center to provide a variety of services to patients including new massage therapy. This year’s annual reception was held at the Piqua home of Stacy and Benny Scott. The event, in its ninth year, was attended by more than 125 people and raised more than $50,000. John J. Dugan was a Miami County commissioner and long-time supporter of UVMC at the time of his death in 2003 from complications of esophageal cancer.

His family chose to honor him through support of the local Cancer Care Center. That commitment has raised close to $410,000 for center projects. This year’s event dollars will underwrite the new integrative/complementary medicine component of massage therapy for patients.

Jean Dugan, John’s wife, said she is “so happy to see the continued support from the community for the Cancer Care Center.” Dugan’s son, Brian, said the family is very happy the event has contributed so much money and energy to the Cancer Care and Infusion Center. “Dad would be very happy to see so many of his friends contributing to this great cause.”

The event is unique, in part, by its venue at an area family’s home. Jean Dugan said she is honored by the continued “generosity of families who allow this event to be at the lovely homes.”

In addition to the Scotts, the following have hosted the event: Bill and Wanda Lukens, Henry and Linda Ernst, Dr. Norman and Georgia Armstrong, Tom Hagan, Brent Black, Greg and Laura Stephens and Dave and Sally Waibel.

**UVMC CANCER CARE CENTER**

**Ninth Annual Dugan Reception for Cancer Care Funds New Cancer Center Program**

The introduction of a massage therapy program this summer at UVMC’s Cancer Care Center was made possible by the John J. Dugan Memorial Fund for Cancer Care through the UVMC Foundation. A licensed massage therapist through the Ohio State Medical Board, provides hand massage, chair massage and table body massages depending on the patient’s condition and needs.

Jean Heath, UVMC Cancer Care Center Director, said she wanted to offer massage therapy for cancer patients as part of their care. Putting the program together and finding the right therapist took some time, she said, adding she’s pleased with the program so far. “We knew massage therapy would help our patients. It relieves stress and anxiety and helps them with pain control, all of the things to help provide relief from side effects from the treatment.”

The massage is an option for patients and is part of the center’s full treatment plan, which also includes genetic counseling and clinical trials among offerings. The availability of massage therapy is discussed with the patient as well as his or her physicians to ensure it is appropriate.
The UVMC Foundation and the UVMC Auxiliary provide financial assistance to area students pursuing a degree in a health-care related field of study. Listed are scholarships along with pictures of the recipients.

Since its inception in August 1997, the UVMC Foundation has experienced impressive growth in assets and in its endowment capabilities. Through these ever-increasing assets, the Foundation has awarded substantial gifts to UVMC including support for the Cancer Care Center, underwriting costs of medical equipment, providing community health and educational programs and scholarships to area youth and adults pursuing a health-care related field of study.

One of the newest programs that the Foundation is underwriting is CarePages. CarePages is a free, secure, and private social network for patients, their families and friends to help facilitate communication and support.
The UVMC Foundation is pleased to provide CarePages as a resource for patients and their loved ones. Through CarePages, a free, private and personalized social network, members can build their own community of support. You or a loved one can create a CarePage in a few, quick steps and begin sharing your journey and building your community of support.

**JUST WHAT IS CAREPAGES?**

CarePages is a confidential healthcare social network that can help patients stay connected and easily communicate with friends and family. It enables patients to enroll and create a free, private internet page for sharing health updates, photos and supportive messages instantly with family and friends. Others, in turn, can send messages of love and encouragement.

**HOW DO I CREATE A CAREPAGE?**

The best way for someone who wants to set up a CarePage for themselves or a family member is to just go the Upper Valley Medical Center website (www.uvmc.com). Click on the CarePage icon that is right there in the top third of the website home page and follow the easy-to-understand directions.

**Connect** with loved ones and other CarePages users.

**Share** your story with those who care about you.

**Create** a wide reaching community of support.

If you have questions, please contact Customer Support at 888-852-5521 or help@carepages.com.

**Connect. Share. Support.**
Recognition Societies
We truly appreciate the support of special friends like you. While the greatest benefit of supporting the UVMC Foundation and Upper Valley Medical Center at any level is the knowledge that you are helping to save lives, we feel privileged to honor our generous and loyal supporters with membership in special recognition societies. Every effort has been made to assure accuracy in this listing. Please call us to report any error or omission, or to change the way your name is listed. Corrections will be made for the next publication.
