Dear Junior Volunteer Applicant:

Thank you for your interest in becoming a volunteer at Atrium Medical Center. Our Adult and Junior volunteers perform a valuable service to our hospital as well as our patients and families. We are so grateful you have decided to join us.

The process of becoming a Junior Volunteer begins with our application packet:

- A personal application
- The Physician Form is for your doctor to complete. Your doctor’s office can return it to you, they can mail it to us or even fax it to us.
- The Authorization to Release Medical Information Form needs to be completed by you and returned with your application. (Your doctor may ask for a copy as well.)
- A school recommendation is to be completed by a counselor or teacher. We also provide a pre-addressed envelope to make it easy for your school to return the recommendation to us.

If any of the forms are missing from this packet, you may download them at www.atriummedcenter.org. See Volunteer Services at bottom of page.

A parent or guardian must sign all forms enclosed.

Once all forms have been returned to our office, we will contact you via telephone or email to schedule an interview/orientation with you to discuss volunteer openings, safety guidelines within the hospital, days/times you would like to volunteer, etc.

If you need more information or if we can answer any questions, please contact our office.
