One of the largest comprehensive health systems in Southwest Ohio, Premier Health offers five inpatient hospital campuses; an urgent care network; free-standing emergency departments; a large primary and specialty care network; behavioral health and substance abuse services; as well as comprehensive laboratory services and home health services. It is led by a locally based board of trustees.

Our hospitals have been recognized for their quality by U.S. News & World Report, Healthgrades, and others. Our facilities are accredited by The Joint Commission; American College of Emergency Physicians; American College of Surgeons Commission on Cancer; and others.

All Premier Health hospitals have earned ANCC Magnet® Recognition for nursing excellence, a designation held by only 20 health systems nationwide.
