

Premier Physician Network (PPN) offers the largest selection of primary care and medical specialists in the Dayton region. PPN’s extensive network of skilled providers offers specialties such as allergy, anesthesiology, bariatrics, breast care, burn and wound care, cardiology, cardiovascular surgery, endocrinology, gastroenterology, general orthopedic surgery, general surgery, geriatrics, gynecologic oncology, hand and reconstructive surgery, infectious diseases, maternal-fetal medicine, medical oncology and hematology, neurology, neurosurgery, neuro-interventional surgery, obstetrics and gynecology, orthopedic joint surgery, otolaryngology, primary care, plastic surgery, psychiatry, psychology, pulmonology, rheumatology, spine surgery, sports medicine, surgical oncology, thoracic surgery, trauma surgery, urogynecology surgery, urology, and vascular surgery. Premier Physician Network is part of Premier Health.

Premier MyChart® puts medical information at the patients’ fingertips — online and in one secure place. It provides patients simple access to their medical records, online appointment requests, prescription refill requests, video visits with their provider, and much more. MyChart® also gives patients the ability to check in for their appointments before arriving at their provider’s office. To sign up for a MyChart® account or to learn more, visit **PremierHealth.com/MyChart**.

PPN has 1,549 physicians and advanced practice providers in more than 170 locations – from as far north as Versailles to as far south as northern Cincinnati.

On patient satisfaction surveys, 94% of our patients said they would recommend their PPN provider to others.

PPN offers telemedicine video visits with the patient’s permission that are secure and HIPAA compliant. PPN conducted more than 42,000 telemedicine visits in 2024.

New and existing patients can schedule an appointment online at **PremierHealth.com/Schedule**. Patients may also call **(855) PREMIER (773-6437)** to find a primary care provider.
