

Premier Physician Network (PPN) offers the community the largest selections of primary care and medical specialists in the Dayton region. PPN’s extensive network of skilled specialists offer specialties such as bariatrics, breast care, burn and wound care, cardiology, cardiovascular-thoracic surgery, gastroenterology, general surgery, gynecologic oncology, hand and reconstructive surgery, infectious diseases, maternal-fetal medicine, medical oncology, neurology, neurosurgery, neuro-interventional surgery, obstetrics and gynecology, orthopedic joint surgery, otolaryngology, psychiatry, plastic surgery, psychology, pulmonology, rheumatology, spine surgery, sports medicine, surgical oncology, urology, and vascular surgery. Premier Physician Network is part of Premier Health.

Premier MyChart® puts medical information at the patient’s fingertips — online and in one secure place. It provides simple access to the patient’s medical records, online appointment requests, prescription refill requests, video visits with their provider, and much more. MyChart® also gives patients the ability to check in for their appointments before arriving at their provider’s office. To sign up for a MyChart® account or to learn more, visit PremierHealth.com/MyChart.

More than 830 physicians and advanced practice providers in more than 215 locations – from as far north as Versailles, and to as far south as Mason in Northern Cincinnati.

PPN offers Telemedicine video visits that are secure, HIPAA compliant, and with the patient’s permission. PPN conducted more than 69,000+ telemedicine visits in 2021.

On patient satisfaction surveys, 91.9% of our patients said they would recommend their PPN provider to others.

New and existing patients can schedule an appointment online at PremierHealth.com/Schedule. Patients may also call **(855) PREMIER (773-6437)** to find a primary care provider.
