

PHG COVID-19 Update: April 29

Dear Valued Providers

We want to be a resource to our Premier Health Group Independent providers. In recent days, the clinical information regarding COVID-19 has begun to slow down. Due to this, we will be decreasing the frequency of the publication.

In addition, we have created a resources page on the [PHG website](#).

Please feel free to contact us directly at **(937) 499-7441** with any questions you might have or if you would like to speak with our Medical Director, Scott Swabb, DO.

Yours sincerely,

Renee George
President, Premier Health Group

Telehealth Webinar: Thursday, April 30

Join David Kelly, Director of Revenue Cycle, Premier Physician Network and Scott Swabb, DO, Premier Health Group Medical Director for an informative session on the latest telehealth billing and coding guidelines.

Thursday, April 30

5:00 to 6:00 p.m.

[+1 937-401-2803](#) United States, Dayton (Toll)

[\(877\) 287-6804](#) United States (Toll-free)

Conference ID: 488 965 937#

Lunch and Learn - Ramping up Operations

Mark your calendars to join Tanya Jackson, Premier Health Group Practice Liaison, as she shares valuable tips in reopening your practice. **Tuesday, May 5, from 12:00 to 1:00 p.m.** The call-in information will be shared in the brief on Thursday, April 30.

The remaining topic for the educational series:

- COVID treatment options

COVID-19 IgG Antibody Testing Now Available: CompuNet is pleased to announce that we now offer serological SARS CoV2 IgG antibody testing. SARS CoV2 IgG antibody testing is a qualitative immunoassay test performed on Abbott's flagship Architect system. The Architect system allows for efficient workload management and fast results. Additionally, Abbott's SARS CoV2 IgG Antibody testing has received FDA Emergency Use Authorization as of Friday, April 24, 2020. [Find out more.](#)

Office Safety Poster

As practices begin to reopen, we want to help provide educational tools that you can share with patients to help them feel safe. Please [print and post the poster](#) in your practices.

Surgery Scheduling

As phase one of the reentry plan begins, we would like to share with you the surgery procedure scheduling algorithm to help guide you in determining if surgeries are needed in phase one. [View the algorithm for more information.](#)

ODH Updated COVID-19 Testing Guidance

On April 22, the Ohio Department of Health (ODH) updated COVID-19 testing guidance. This guidance applies to all COVID-19 testing in the State of Ohio. [Find out more.](#)
