

## PHG COVID-19 Update: August 28

Dear Valued Providers

We want to be a resource to our Premier Health Group Independent providers. As our health care system begins to stabilize, we will provide clinical and operational updates as they become available to continue and provide support to providers.

In addition, we have created a resources page on the [PHG website](#).

Please feel free to contact us directly at **(937) 499-7441** with any questions you might have or if you would like to speak with our Medical Director, Scott Swabb, DO.

Yours sincerely,

Renee George  
President, Premier Health Group

### IN THIS ISSUE

[Additional COVID-19 Testing Locations Available Through CompuNet](#)

## Additional COVID-19 Testing Locations Available Through CompuNet

CompuNet will be adding **two locations** that are ready to accept patients who require COVID-19 testing. Patients who either require COVID-testing for a procedure, surgery, or hospital admission or patients who suspect COVID-19 exposure or infection will be accepted.

- Individuals must have a **physician's order** for the COVID-19 PCR test.
- Patients should schedule online at [www.compunetlab.com](http://www.compunetlab.com) - Click 'Online Appointments' in the quick links.
- Patients should use online scheduling to get the appointment time they desire. If a patient does not have internet access, they may call the COVID-19 phone number at each location.

### **August 31: CompuNet Patient Service Center - Middletown, 62 N. Breiel Blvd.**

- Open for COVID-19 collections 1:30 pm - 4 pm, Monday - Friday.
- Phone number: 937-287-2297. Patients should call this number when they arrive at the patient service center or if they do not have internet access and must schedule by phone.

### **September 8: CompuNet Patient Service Center - Troy, 1850 W. Main St.**

- Open for COVID-19 collections 1 pm - 5 pm, Monday - Friday.
- Phone number: 937-528-9737. Patients should call this number when they arrive at the patient service center or if they do not have internet access and must schedule by phone.

As a reminder, **Premier Health patients** who need to schedule PCR testing prior to a procedure can do so online at [www.PremierHealth.com/covidtesting](http://www.PremierHealth.com/covidtesting) for one of the following locations:

- **Atrium Medical Center**, One Medical Center Drive, Middletown (drive-through location at Behavioral Health Unit canopy)
- **Upper Valley Medical Center**, 3130 N. County Road 25A, Troy (drive-through location in the parking lot northeast of the former Dettmer Hospital site)
- **Premier Health Urgent Care - Vandalia**, 6700 Commerce Center Drive (patient calls upon arrival, is met at door)
- **Premier Health Urgent Care - Miamisburg**, 8 Prestige Plaza Drive (patient calls upon arrival; is met at door)

These four sites are for patients who either need pre-admission testing prior to a procedure at a Premier Health facility, or for patients referred by providers employed by Premier Physician Network. Other providers can refer patients in need of COVID-19 testing to the OnMain site across from Miami Valley Hospital or CompuNet locations.

To view all locations, visit [www.PremierHealth.com/covidtesting](http://www.PremierHealth.com/covidtesting).
