

Founded in 1965, Samaritan Behavioral Health, Inc. (SBHI), a subsidiary of Premier Health, provides mental health services that touch, teach, and heal. SBHI serves from infancy to age 18 in Southwest Ohio, including Preble (serves all ages ), Montgomery, and Miami counties.

Our mental health services include, diagnostic evaluation, individual and family counseling, case management and psychiatric services. These services are delivered in Montgomery, Preble and Miami Counties.

SBHI's Young Children's Assessment and Treatment Services provides early childhood mental health services on-site and in the community. This program serves children and their families from infancy to age 8.
