The Legacy Letter

Volume XII, Issue 1

12th Annual Cancer Awareness Symposium

Mitch Albom, speaking to a crowd of 550 people...sharing stories...sharing laughter...sharing tears.

The annual Bill and Ruth McGraw Cancer Awareness Symposium offered a special treat for Miami County residents this year. New York Times best-selling author, Mitch Albom was the featured speaker of the event held at the Tippecanoe High School Center for the Performing Arts the evening of Oct. 4. Mitch, author of Tuesdays With Morrie and Have a Little Faith, held the audience spellbound as he spoke about the people who have inspired him and his writings. His newest book, The Time Keeper, published in September, is meant to make readers reconsider their own notions of time, how they spend it and how precious it truly is. Mitch had the audience laughing when he shared his experience with being a guest on Oprah and near tears as he spoke of the courageous people he has known who have faced serious and terminal illness. The message of his newest book: Don’t become so obsessed with time that you forget to live. Thank you to the McGraw Family for making this special evening possible.
In Gratitude

Dear Friends,

At this special time of year, we give thanks to all who have touched our lives and our hearts.

In this issue of the Legacy Letter, we celebrate the generosity of our community. Your kindness and caring have touched grandparents recovering from a heart attack; young people pursuing their dreams to become a nurse; first-time parents looking into the eyes of their beautiful baby; family, friends or neighbors fighting cancer; and each and every one of us who dutifully gets their annual blood tests.

The fruits of your generosity are evident throughout the UVMC Campus: the beautiful seasonal lights on the trees lining the drive to the hospital, the new Cancer Care Center and the John J. Dugan Infusion Center; and community outreach programs like the annual Bill and Ruth McGraw Cancer Awareness Symposium.

Your life-affirming gifts mean so much to all the members of our community, and especially those currently facing health challenges. Thank you for your support.

Thank you for caring.

May the upcoming new year bring happiness and good health to you and those you love.

Sincerely,

Kathleen Scarbrough
Executive Director

Since 1998, your generosity has provided over $11 million to our hospital for equipment and vital clinical programs like CardioPulmonary Rehab, the John J. Dugan Infusion Center, the Emergency Department, the Laboratory and the Imaging Department. Community education programs such as the Osteo-Arthritis Symposium held in June and the 12th annual Bill and Ruth McGraw Cancer Awareness Symposium held in October with best-selling author Mitch Albom are offered free to our community due to the support of our donors.

For the past five years, the UVMC Volunteers and Auxiliary have provided the funds to “light up” the trees around the hospital during the holiday season. What a beautiful and uplifting sight for our community. Thank you volunteers for reaching out and touching our hearts and spirits.

Wishing you and your loved ones a joyous holiday season and a healthy new year,

Vic Caven
Chair, UVMC Foundation
Board of Directors
UVMC Cancer Care Center Expands

The new Cancer Care Center was the venue for the annual John J. Dugan Memorial Reception for Cancer Care. Held in April just as the new center opened, attendees were treated to a private, behind the scenes look at the new Dugan Infusion Center. Mr. Dugan, a businessman and former Miami County commissioner, was treated at UVMC before his death to cancer in 2003.

The annual Dugan reception has raised more than $350,000 dedicated to the Cancer Care Center over the past 8 years. Tom Parker, UVMC President and CEO, told those attending the reception that the Dugan family’s generosity and commitment was based on “a burning desire to do what’s right for patients.” James Pancoast, President and CEO of Premier Health Partners, offered congratulations on the opening of the Cancer Care Center. “It’s just a great place and we’re proud to be associated with it,” he said. The center is designed to offer a warm and inviting experience to patients and their families when they walk through the doors.

Jean Heath, RN, BSN, Cancer Care Center Director, said “We all did it right, and I am so proud.”

Global Fiduciary Standard of Excellence

The UVMC Foundation is proud to report its investment management process has been certified under the Global Fiduciary Standard of Excellence, an ISO 9000-like set of twenty-two best practice protocols that are intended to ensure a very high level of prudence in fund management and fund stewardship. This independent assessment verifies UVMC Foundation’s consistent use of the Standard’s best practices in the investment management of its endowment funds—monies entrusted to the UVMC Foundation by members of our community to provide needed medical equipment and to support vital healthcare initiatives. The UVMC Foundation is one of a handful of national not-for-profit foundations to receive this honor.

The UVMC Foundation is committed to the highest standards of fiduciary conduct in the management of the funds entrusted to it with the ultimate goal of assisting our local hospital in meeting the healthcare needs of the community we collectively serve. A legacy of excellence has been established that will be passed along to benefit and inspire future generations.
