

New, Easy & Streamlined Referral and Medical Management Process For Back And Neck Pain

Get Direct Access To Premier Health Spine Physicians

When your patients have back or neck pain issues, help them find the right care quickly with Premier Health Spine, a service from Premier Physician Network (PPN).

Send us a referral* and we'll do the rest. You and your patients get direct access to experienced PPN physicians and advanced practice providers (APPs) in, including:

- Orthopedic surgeons
- Neurosurgeons
- Pain management
- Physical medicine and rehabilitation

Together with the patient, we'll decide on a course of action aimed at relieving their pain and getting them back to living their best life.

*It's Easy To Refer To Premier Health Spine

Premier Epic users:

Search location/department "Premier Health Spine"

Non-Premier Epic users:

Fax referral to (937) 341-8991

Meet the Premier Health Spine Team

You already know and trust these Premier Physician Network providers, who will see patients in their established locations.
