

The Heritage Society Touching Tomorrow with the Gift of Health

Atrium Medical Center – Quality Care, Close to Home

Atrium Medical Center holds the distinction of being a brand new, state-of-the-art medical center with a century-long tradition of excellence. Since its inception in 1910, dramatic innovations in medicine and technology have continually appeared on the horizon. Yet the hospital has kept pace with each innovation in care – not by happenstance, but often through the foresight of dedicated friends in the community who believed in the hospital’s mission and gave generously to see it succeed.

Today, Atrium Medical Center is a progressive, 328-bed hospital offering family-centered care and advanced technology supporting a full range of services, including cardiac care, emergency/trauma care, cancer care, women’s healthcare, sports medicine, rehabilitation, and more.

Each year, some 240,000 people place their lives in the hands of the medical professionals at Atrium Medical Center. And as our region grows, that number continues to rise.

People throughout our four-county region rely on Atrium to provide them nationally acclaimed care in a community setting – close to where they live and work. And in turn, the medical center relies on the community for financial gifts that help secure superior care for their loved ones and neighbors.

Introducing the Heritage Society

Essential to Atrium Medical Center’s continued success is an association of supporters known as the Heritage Society. Established by Atrium Medical Center Foundation, the fundraising affiliate of Atrium Medical Center, the Heritage Society was created to recognize those who have included the Foundation in their wills or estate plans.

Through their partnership in Atrium’s future, these treasured friends are making a lasting contribution to the quality of life in this region by ensuring that the finest quality healthcare will always be available for present and future generations. Today, you are invited to join the Heritage Society and to leave a legacy that will foster medical excellence today, tomorrow, and for many years to come.

Opportunities for Planned Giving

To become a Heritage Society member requires nothing more than a commitment to maintain and strengthen medical excellence at Atrium Medical Center by including Atrium Medical Center Foundation in your estate plans. Planned gifts may be designated for a specific service or program, or may be given without restriction. Unrestricted gifts will be put to use wherever they are most needed to touch lives and improve health – and no gift is too small.

Types of gifts include:

- Bequests by will or living trust
- Charitable gift annuities
- Charitable remainder trusts
- Gifts of life insurance
- Gifts of real estate, stocks or other assets

We would be happy to discuss, in confidence, any of these options with you, with absolutely no obligation on your part.

Recognition and Benefits for Members

A planned gift to Atrium Medical Center Foundation can benefit you and your loved ones in a variety of ways, from reducing your tax bill to providing you with additional income during your working years or retirement. Each Heritage Society member also receives the following recognition and benefits:

- A lifetime certificate of membership
- Your name inscribed as a Heritage Society member on the donor recognition chimes in the Atrium Medical Center lobby
- Invitations to special events and seminars, including our annual holiday dinner with the President of Atrium Medical Center and Foundation representatives
- Valuable education and information on medical issues and trends

To learn more about how to become a member of the Heritage Society, or to tell us that you have already included Atrium Medical Center Foundation in your estate plans, simply contact us at (513) 974-5144 or (800) 338-4057, ext. 5144. You may also e-mail us at foundation@atriummedcenter.org.

We look forward to hearing from you!

“We are delighted to chair Atrium Medical Center Foundation's Heritage Society. We are truly grateful for our predecessors, Bruce and Neila Barnes.”

**Dr. and Mrs. Kevin Strait

Atrium Medical Center Foundation is forever grateful for the friendship and support of these Heritage Society members who recently passed away:

Larry Bake
Wilbur Cohen
Anita Scott Jones
Dr. Lawrence Linder
Dr. Walter Roehll, Jr.

Due to COVID-19, Heritage Society members last celebrated together in 2019 at the National Museum of the U.S. Air Force.
